— 2018 —

The overwhelming global interest in contemporary Indian Art led to the emergence of Samsara Art in 2006. Set up with the intent to connect talented artists with connoisseurs and aficionados of art, we have always believed that quality contemporary art must be within reach of all. Over the years, our role has been to assist collectors in building comprehensive portfolios and enriched collections. We have been desirous of enhancing responsible and knowledge based fine art dealing and to offer value-added services like Art insurance, Restoration, Cataloguing and Valuation.

Samsara Art was started by noted philanthropist Ardeshir B.K. Dubash and Prerana Joshi, enthusiastic art collector and consultant for fifteen years.

Cuddles is a unique initiative, committed to children dealing with cancer. The only NGO that provides a holistic nutrition intervention to this extremely vulnerable group, Cuddles reaches out to over 35,000 children every year across India, working with government funded and charity hospitals.

It has been a pleasure to join hands with Cuddles Foundation for this fundraiser and support this exceptional cause.

For this fundraiser, we have attempted to bring together a collection across various styles and subjects so as to appeal to a large cross-section of potential buyers. From the universal aesthetic of floral compositions to the potent chiselling of Khambatta's works, we have traversed the universe; from Debashish Dutta's journey into the large unknown to the timelessness of Sakti Burman's Ganesha, our search has been complete.

This showing is a beautiful coming together of our loving effort.

We would like to thank all the participating artists and the team at Cuddles Foundation, as we partner in this worthy endeavour, conceived for the betterment of a more inclusive tomorrow.

Thank you!

At Cuddles Foundation, we believe that Food Heals and a well-nourished child can fight cancer better. Winner of the National Award for Child Welfare (2015-16), we are India's only NGO fighting childhood cancer with food and nutrition. And now art.

Samsara Art has gathered artists from around the country, who are hungry to help. They offer you their masterpieces. And offer Cuddles upto 100% of their proceeds. They believe that art can feed the hunger for a life without cancer. The hunger to be a kid again, to go to school, maybe even become an artist.

Book your favourite pieces by emailing  
samsaraartonline@gmail.com and  
aparna@thecuddlesfoundation.com

The art will also be on display at a silent auction at Meher 2018, our fundraising gala.

At Taj Lands End, Bandra. Saturday, March 17, 2018.
